

DealEngineAI Affiliate Program Terms of Service

1. Program Overview

The DealEngineAI Affiliate Program allows approved participants to earn commissions by referring new customers through unique tracking links.

2. Eligibility

Participants must be 18 years or older. We reserve the right to approve or reject any affiliate application at our sole discretion.

3. Referral Tracking

You must use your unique referral link. We are not responsible for tracking errors due to incorrect usage.

4. Commission Structure

Commission tiers are defined as follows:

- Broker Pro: 20% recurring
- Power User: 15% for 12 months
- Community: 10% one-time

Commission payouts are subject to minimum thresholds and eligibility checks.

5. Payout Terms

Payouts are issued via Stripe Connect or your selected method on a weekly, monthly, or quarterly basis based on your tier. A valid tax ID and payment details must be submitted.

6. Prohibited Practices

Affiliates may not engage in spam, deceptive marketing, fraudulent referrals, use of coupon sites, impersonation, or paid advertising on our brand keywords.

7. Fraud Prevention

We use automated and manual systems to detect fraudulent activity. Suspicious referrals (e.g., VPNs, disposable emails, high click volume) will be flagged or denied.

8. Program Changes

DealEngineAI reserves the right to update, modify, or terminate this program at any time without notice. Continued participation constitutes agreement to the latest terms.

9. Termination

We may suspend or remove affiliates at any time for violations. You may also leave the program at any time by contacting us.
